

RELEVANT INFORMATION

Bogota, August 29, 2016. Regarding the article published in Revista Semana (Semana Magazine), issue no. 1791 of August 28, 2016, entitled “Dos joyas para la venta” (“Two gems up for sale”), which makes reference to the financing of the District’s Development Plan and in which one of its sources is indicated as being “the privatization of the Transportadora de Gas Internacional (TGI), a subsidiary company of the Grupo de Energia de Bogota (EEB)”, the Empresa de Energia de Bogota informs the following:

1. The Empresa de Energia de Bogota is an issuer of securities controlled by the Superintendence of Finance of Colombia and is subject to decree 2555 of 2010 in all of its proceedings. Consequently, it must inform the market in a truthful, clear, sufficient, timely and transparent manner regarding relevant situations for current and future shareholders’ assesment for investment.
2. The Board of Directors and the General Shareholders’ Assembly are the decision makers regarding the assets portfolio of the issuer and any decisions regarding the assets they are charged with, regarded as relevant information for the market.

Accordingly EEB wishes to inform:

1. Neither the Board of Directors nor the General Shareholders’ Assembly, have made any decision related with the eventual disposal of Transportadora de Gas Internacional, TGI S.A. E.S.P., nor the rest of the companies that belong to the Group.
2. Cálidda and Contugas are companies that are part of the Group’s shares portfolio and are not property of Transportadora de Gas Internacional, TGI S.A. E.S.P. TGI has a shareholder status in one of them, Contugas, in a small percentage (32%).
3. We do not know what source was employed by Revista Semana and indicate that the information contained in its article does not pertain to reality and that the only authorised spokesperson to communicate the oficial standing of the subsidiary companies of Grupo de Energia de Bogota is its legal representative.

About Grupo de Energia de Bogota

The Grupo Energia de Bogota is a multinational leader in the energy and gas sector, with its main headquarters in Bogota. As a Corporate Group, it generates value for its shareholders and stakeholders through the sustainable and profitable management of its business, which contemplates shareholding in companies of the energy chain from the generation, transmission, distribution and commercialization of electricity, as well as the transport and distribution of natural gas. The Group contributes to the development of the countries where it operates: Colombia, Peru, Guatemala and Brazil, and leads projects that make an impact on the productivity and competitiveness of territories to support the growing demand of electricity and natural gas in an efficient and responsible manner.
